

# Oil & Gas

powering a wide range of applications for half a century.

You can **count on**  
**our batteries** no matter  
what the application is.

## UPG helps you Stay Powered®

The energy demand in the world today is constantly increasing. Oil & Gas companies are required to work in progressively isolated and hard-to-reach locations with more severe environmental conditions than ever before. Our AGM & GEL batteries deliver reliable energy storage for equipment used in the Oil & Gas industry.

Universal® Batteries have been trusted in the Oil & Gas industry for nearly half a century. Our batteries offer stellar performance and reliability; they're maintenance-free and offer long service life even while operating in harsh environments in remote locations.
